Arcests for treason continue to be made daily.
The lines are being drawn very closely.

A young man of Newark, N. J., just arrived from Charleston, S.C., says there is very little military activity there. All the troops had marched for Virginia. He witnessed the bom- soleum." bardment of Fort Sumter. He says if any were killed at Fort Moultrie, or the batteries, they were burried there, and the fact was not known twice since the bombardment.

He remained in Richmond one day. There, all is action. Troops are continually arriving and departing. He says the cavalry are good men, but poor horses seem to be very numerous.

Perfect confidence as to the result of the conflict reigns everywhere.

Deer Say: An one interprets the year 1952, while attending the State and Nat Law School of the State at New Kurk, my hair, fronties unknown to me, communed falling all very dily, so that in the short space of six mouths, the supper part of my scalp was almost entirely berefit overflow, and much of the remaining portion upon covering, and much of the remaining portion upon the side and beel part of my heat about; after became gray, so that you writ not be surprised when I feel you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at att.

I at once made application to the most activities physicians in the country, but, receiving no assurance from them that my hair would again be settered. I was forced to become recomciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, us being the meet reliable Hair Restorative in use. I tried see bottle, and found as my great satisfaction that it was producing the besieved effect. Since that line, I have user seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which me meeting can buy.
